## Neurological Rehabilitation Centre

**Your choice of neurological rehabilitation centre is a personal one and can make a real difference to the speed of your rehabilitation.**

We believe there is no passive model for neurological care. Rehabilitation is a team effort and you are the most important member of the team. We build our rehabilitation programme around your goals, helping you achieve the optimum outcome.

Our experienced multi-disciplinary team are experts in treating long and short-term neurological conditions. We provide the best quality care in our award winning rehabilitation centre.

# Your rehabilitation

No two neurological injuries are alike and they create unique challenges for you so we tailor our care to suit your needs. We empower you to engage in the planning of your own care and encourage you, wherever possible, to make your own decisions about what you do.

Our neurological rehabilitation services are dynamic and progressive. We understand you want to regain as much independence as possible and we will work with you to achieve your goals.

We encourage your family and friends to be key members of your rehabilitation team. We ensure that you and your family are central to decisions about your life and the care you receive.

# Award winning rehabilitation centre

Our new rehabilitation centre is designed to help you return home with the maximum level of independence possible. Our well-equipped gym and domestic style rehab kitchens ensure your stay with us is a rewarding independent one. Our pre-discharge flat will help you prepare for your return home, whilst continuing your rehabilitation in a safe and supportive environment.

Our award winning facilities include:

- A total of 54 ensuite bedrooms divided into 4 separate areas
- 6 dining lounges with accessible rehab kitchens
- A transition training flat with independent access
- All accommodation has easy access to outdoor space
- Domestic laundry area
- Cinema
- Hair salon
- Excellent kitchens and staff producing top quality food
- Dining court yard
- Gardens and sensory areas

## YOUR REHABILITATION TEAM

Rehabilitation is at the heart of everything we do. Our neurological care staff of therapists, nurses and rehabilitation coaches are passionate, courageous and committed to making a real difference to your life.

Our team deliver rehabilitation with individuality and personality.

# Getting you back home

A simple illustration of our rehabilitation care ethos is our pre-discharge training flat. Designed to enable the individual and their carer the time and space to gain the skills and confidence to move on. It features two ensuite bedrooms, a kitchen, dining lounge and its own front door. Importantly, it's also only a door away from the full Marbrook care team, if there are ever any moments of extra support required.

Our pre-discharge training flat.

Carer or family bedroom.

# How to find us

Our rehabilitation centre is perfectly located for your family and friends to visit. Situated just off the A1, close to the Black Cat roundabout, we are easily accessible from Hertfordshire, Bedfordshire and Cambridgeshire and 40 minutes from North London. St Neots train station is 3 miles away and is served by mainline services from Kings Cross.
